Swine-focused customer tour in Asia!

Our Technical Manager for pigs, Elisa, completed a serie of customer meetings in Asia with our Sales Manager for Asia, Liberato. The aim of the tour was to organise training sessions with our partners on Phodé products and to discuss the future of animal nutrition in Asia.

French news!

The Cannes 2025 Festival lit up the Côte d'Azur from 13 to 24 May, with Juliette Binoche heading up the jury and a moving tribute to Robert De Niro. The surprise Palme d'Or win for Leave One Day, the first feature film by French director Amélie Bonnin, was one of the highlights of the festival. This heartfelt musical drama captivated audiences and critics alike, reaffirming that Cannes is a springboard for bold new voices in cinema.

FAMI-QS Certification Renewed: Our Commitment to Quality Continues

We are proud to share that our company has successfully renewed its FAMI-QS certification for another year. The FAMI-QS standard is a recognized European code of good practice for companies involved in the production of feed additives and premixtures. It ensures that all production stages are conducted under strict hygiene and health safety conditions.

This renewal reflects our ongoing commitment to quality, traceability, and regulatory compliance – and to earning your continued trust every day.
